## Chenin Blanc

Light golden color. Rich tropical and floral notes on the nose followed through with a rich textured mouth feel. A definite crowd pleaser that is great on its own or paired with food. Enjoy with chicken, turkey, duck, cured meats and most cheeses.

## Sauvignon Blanc

Pale and translucent in color. Gorgeous citrus and cut grass notes on the nose followed through with a smooth rounded mouthfeel. Lovely balance and a lingering finish. Enjoy with fish, shellfish, chicken or pork. Dishes containing Parsley, Basil and Cilantro are perfect.

## Pinotage

Bright red color in the glass, with vanilla and cherry aromas on the nose. The palate is medium bodied with blackberries, wild raspberries; coffee flavors and well balance oak finish.
